* Participants may be served more than once, but the serving sizes are the maximum that can be served at a single time.

** Only organizations with a HST registration number may include the HST in the price.

These prices are intended to cover the "operating costs" of serving or selling liquor and include the cost of liquor, mix, glasses, ice and taxes. The prices do not include costs such as hall rental, entertainment or security.

The prices are **maximums** and may only be exceeded when authorized by the Liquor Control and Licensing Branch. If the purpose of the event is to raise funds for charity, the event organizers may wish to exceed the prices listed. To do so, they must apply in writing well in advance of the event (at least two weeks prior) by completing the Special Occasion Licence Policy Exemption Application Form (LCLB031) available on the following website:
