- Look for a well-lit, open area, near pedestrian activity if you're parking outside.
- Never assume your vehicle won't attract a thief.
- Avoid buildup of old insurance decals when applying new ones.
- Be sure to watch the gate close each time you leave or enter secure parking areas.
- Keep an extra key with you, not in the vehicle.

note: This list records the make and model year of vehicles stolen in B.C. from January 1, 2008 to December 31, 2008. All vehicles, whether they appear on this list or not, are at risk of theft. To help protect your vehicle, it's worth investing in the best anti-theft system you can afford. Electronic immobilizers are effective in preventing theft and can qualify vehicle owners for a discount on auto insurance. But no anti-theft device is foolproof.
