## **FOOTNOTES**

- <sup>1</sup> The following policing jurisdictions have been opened or closed subsequent to Canada Census results or departmental amalgamations. Where jurisdictions have been amalgamated, the data shown reflect the total reporting for both the present jurisdiction and the absorbed jurisdiction up to and including the year in which the jurisdictions were amalgamated.
- In 2000, as a result of Fort St. James RCMP Provincial detachment being restructured, Takla Landing RCMP Provincial detachment was opened.
  - In 2002, two amalgamations occurred: Rossland, Fruitvale and Trail RCMP Provincial detachments were amalgamated as Trail and Greater District RCMP Provincial detachment; and Tahsis and Gold River RCMP Provincial detachments were amalgamated as Nootka Sound RCMP Provincial detachment. In addition, one RCMP municipal detachment was opened and one was closed as a result of the 2001 Canada Census: Sooke RCMP Municipal detachment with a population of more than 5,000 persons was opened while Port Hardy RCMP Municipal detachment with a population of less than 5,000 persons was closed.
  - In 2003, one restructure and four amalgamations occurred: Fernie, Sparwood and Elkford RCMP Provincial detachments were restructured as Elk Valley RCMP Provincial detachment; Sechelt and Gibsons RCMP Provincial detachments were amalgamated as Sunshine Coast RCMP Provincial detachment; Grand Forks and Midway RCMP Provincial detachments were amalgamated as Boundary RCMP Provincial detachment; Keremeos, Oliver and Osoyoos RCMP Provincial detachments were amalgamated as South Okanagan RCMP Provincial detachment; and the Esquimalt Police Department (Independent Municipal Force) was amalgamated into the Victoria Police Department.
  - In 2004, Ditidaht FNAPS was closed with Lake Cowichan RCMP Provincial detachment assuming policing responsibilities for the area.
  - In 2007, Spallumcheen RCMP Municipal with a population of less than 5,000 persons was closed with Armstrong RCMP Provincial detachment assuming policing responsibilities for the area.
  - In 2008, two closures occurred: Kitsoo Xai'xais FNAPS was closed with Bella Bella RCMP Provincial detachment assuming policing responsibilities for the area; and Mackenzie Mun with a population less than 5,000 persons was closed with Mackenzie RCMP Provincial detachment assuming policing responsibilities for the area.
- <sup>2</sup> The following years contain crime data estimates.
- In 2001, the data include estimates for the Cities of Vancouver and Port Moody. For each jurisdiction, the estimates cover the phase-in period required for PRIME-BC. The estimates for Vancouver cover the reporting period of February to April 2001 and are based on the Department's 2000 reporting under the UCR Incident-Based Survey. The estimates for Port Moody cover the reporting period of March to April 2001 and are based on the Department's 2000 reporting under the UCR Survey.
  - In 2003, the data include estimates for the Cities of Victoria and Richmond. The estimates for Victoria cover the reporting month of December 2003, while the estimates for Richmond cover the reporting months of May and July 2003. The estimates are based on each Department's 2002 reporting under the UCR Survey.
  - In 2004, the data include estimates for the jurisdictions covered by the "West Kootenay's PRIME Sign-on". These include Nakusp Prov, Castlegar Mun and Prov, Kaslo Prov, Trail Mun and Trail & Greater District Prov, Boundary Prov, Nelson Prov, Slocan Lake Prov and Salmo Prov. For each jurisdiction, the estimates cover the phase-in period required for PRIME-BC. The estimates for Nakusp Prov, Castlegar Prov and Kaslo Prov cover the reporting period of April to December 2004 while estimates for the remaining jurisdictions cover the reporting period of May to December 2004. The estimates are based on each Department's 2003 reporting under the UCR Survey.
  - In 2005, the data include estimates for the municipalities of West Vancouver, and Abbotsford as well as the jurisdictions covered by the "Capital Region PRIME-BC Sign-on". For each jurisdiction, the estimates cover the phase-in period required for PRIME-BC. The estimates for West Vancouver cover the reporting months of February and March 2005 while the estimates for Abbotsford cover the reporting period of February to April 2005. The estimates for the jurisdictions covered by the "Capital Region PRIME-BC Sign-on" were applied in the following manner: estimates for Langford Mun, Sooke Mun and Prov, View Royal Mun and Colwood Mun cover the reporting period of March to October 2005; estimates for West Shore Prov cover the reporting period of March to December 2005; estimates for North Saanich Mun, Sidney Mun and Prov cover the reporting period of April to August 2005; while estimates for Outer Gulf Islands Prov and Saltspring Island Prov cover the reporting period of April to October 2005. The estimates are based on each Department's 2004 reporting under the UCR Survey.
- <sup>3</sup> The Stl'atl'imx First Nations Administered Police Services was opened in 1999 with reporting commencing in 2000. This police service is autonomous and independent of the RCMP.
- <sup>4</sup> Provincial parks are located within the policing jurisdictions of North Vancouver Prov and Ridge Meadows Prov. The crime rates for both of these policing jurisdictions are inflated due to small residential populations and the relatively large amount of property crimes occurring within these parks. As a result, crime rates for these jurisdictions have not been calculated.

## **DATA QUALIFIERS**

1. The data contained in this publication have been recorded by the police according to the Uniform Crime Reporting (UCR) Survey crime scoring rules. If a single criminal incident contains a number of violations of the law, only the most serious one is recorded for UCR purposes (MSO Rule). The number of offences represents only those criminal or traffic offences reported to or discovered by police which, upon preliminary investigation, have been deemed to have occurred or been attempted. These data do not represent or imply a count of the number of charges laid, prosecutions conducted, informations sworn or convictions obtained.
2. The crime rate is defined as the number of Criminal Code offences (excluding traffic offences) per 1,000 population. Population figures are based on the results of Canada Census, which is conducted every five years. Canada Census occurred in 2001 and 2006; population figures for intervening years are estimates based on Census data. These figures reflect the “resident” population of a jurisdiction and exclude commuters, students, tourists and other part-time residents. Crime rates do not necessarily reflect the relative safety of one community over another. More often than not, a high crime rate indicates that a community is a core city or tourist destination. Core cities are also the business and entertainment centres for many people who reside outside, as well as inside, the municipality. Core cities may also have a large “part-time” population relative to the resident population. Part-time residents include tourists, cottage or chalet owners, students and seasonal staff. If core cities expanded their boundaries to include residential areas outside their borders, the crime rate for the combined populated area would be considerably lower than the municipality itself. Similarly, if tourist destinations included part-time residents in their population base, their crime rates would be substantially lower.
3. The number of sexual offences includes level 1 sexual assault (least amount of bodily harm), level 2 sexual assault (involving bodily harm/weapon), level 3 sexual assault (aggravated), and other sexual offences including sexual interference, invitation to sexual touching, sexual exploitation and incest.
4. The number of assaults (non-sexual) includes level 1 assault (least amount of bodily harm), level 2 assault (involving bodily harm/weapon), level 3 assault (aggravated), unlawful bodily harm, shoot with intent, assault police, assault other officer and other assaults including poisoning and torture.
5. The number of break and enter offences includes break and enter (business premises), break and enter (residence), and other break and enter offences including breaking into trains, box-cars, unattached trailers and storage lockers.
6. The number of motor vehicle thefts includes thefts of automobiles, trucks, motorcycles, and other motor vehicles including motorized snow vehicles, and self-propelled farming and construction implements.
7. The number of thefts includes bicycle theft, theft from motor vehicle, shoplifting and other theft. Thefts are divided into over and under \$5,000 categories.
8. The number of mischief and property damage offences (vandalism) includes mischief and property damage over \$5,000, and mischief and property damage under \$5,000.
9. The B.C. total includes additional reporting from Canadian National Railway Police, Canadian Pacific Railway Police and other specialized units.
